

**ACCENT™ WARRANTY:**

ACCENT™ sensors carry a 2-year manufacturer’s limited warranty which begins on the date of purchase. Equipment failures due to manufacturing defect or accidental damage during this 2-year warranty period will be repaired or exchanged with replacement equipment that, at the manufacturer’s discretion, will be either “Re-manufactured Equipment” or new.

Replacement equipment is under warranty for the remainder of the original two 2-year warranty. Equipment failure due to obvious equipment misuse or improper care, can, at the manufacturer’s discretion, modify the terms or duration of this manufacturer’s warranty.

**ACCENT™ Insurance Program “AIP”**

**Current Pricing:**

**P/N B5097 - \$995.00 for single sensor users per year.**

**P/N B5098 - \$1495.00 for multiple sensors (up to 5) per year.**

Participation in the ACCENT Insurance Program AIP allows for purchase of replacement sensor(s) at a reduced price. The AIP provides coverage on all Accent sensors, purchased from an authorized Air Techniques dealer, regardless of original purchase date, at a single physical location (mailing address). Equipment at multiple locations or equipment that is transported between locations requires additional AIP for those physical locations.

AIP must be purchased prior to expiration of original manufacturer’s warranty. Original invoice(s) and serial number(s) of unit(s) must be provided for coverage. If participation in the AIP is not elected as described, the standard 2 year manufacturers warranty will effectively expire. To prevent gaps in support coverage, program renewal must occur 30 days prior to the expiration of the current AIP.

“Re-Manufactured Equipment” is defined as “refurbished”; it has been re-manufactured by the manufacturer to the same specifications as new and unused product, but may or may not incorporate a percentage of previously used components.

**DISCOUNT PRICING:**

Prices are only valid for replacement equipment and cannot be sold without receiving defective equivalent equipment in exchange; prices are subject to change.

	Original Price	Discounted Price	Discounted Price	Discounted Price
Size 1 Sensor	\$4,500.00	\$2,250.00	\$2,250.00	\$2,250.00
Size 2 Sensor	\$5,000.00	\$2,500.00	\$2,500.00	\$2,500.00

This warranty does not apply to damage due to shipping, misuse, careless handling or repairs by non-authorized service personnel. Dealer labor, shipping, and handling charges are not covered by this warranty. Warranty void if installed or serviced by other than authorized service personnel. Air Techniques, Inc. is not liable for indirect or consequential damage or loss of any nature in connection with this equipment.

This warranty is in lieu of all other warranties expressed or implied. No representative or person is authorized to assume for us any liability in connection with the sale of our equipment.
